MINING PERMIT - NAVAJO TRIBAL LANDS

MAIL & FILES

Pursuant to authority granted by the Advisory Committee of the Navajo Tribal Council by Resolution No. ACS-80-51, dated September 19, 1951, as amended by Resolution ACF-4-52, dated February 12, 1952, ACM-5-52, dated March 11, 1952 and ACJN-73-60, dated June 8, 1960, permission is hereby granted to:

FRANK F. JUNIOR

Census No. 29905, a Navajo Indian of Box 217, Shiprock, New Mexico

to prospect for, mine and remove materials from tribal lands of the Navajo Indian Reservation, in the County of Apache, State of Arizona, and described as follows:

See attached plat

for the full term of two years from date of approval hereof, for the sole purpose of prospecting for and mining as follows:

Uranium and other minerals associated therewith (except oil, gas, helium, coal, sand and gravel and building stone)

The Permittee to occupy so much of the surface of said land as may be reasonably necessary to carry on the work of prospecting for, mining, storing, and removing such minerals, and to construct such access roads as are necessary in proper development of the property.

PROVIDED, however, that any Navajo who conducts development operations under a permit may at his option apply for a lease before the expiration of the two-year period, or at the expiration of the two-year period, he may apply for an extension of his permit for an additional two-year term, and the Advisory Committee may approve such application if in its opinion the applicant has worked and is continuing to work in good faith in the development of the mining operation.
